

## Covid Safety Measures

The safety and wellbeing of our guests and the Team is always our priority. Following the recent relaxation of Covid safety measures we have maintained some, for the moment, as listed below. These measures are constantly under review and will be adjusted as necessary moving forward. We are confident that our unique forest location and the small scale of our business will provide a safe and relaxing visit, along with some great food.

- Firstly, if you are unwell (display any Covid symptoms) in the lead up to your visit please postpone your reservation. It is helpful for us if you can give us as much notice as possible if you need to cancel/defer your booking. Please call to discuss. We strongly recommend travel insurance to cover your booking.
- While the legal requirement to wear masks has been lifted, it is left to staff and guests discretion if they wish to wear one.
- Regular enhanced cleaning schedules and sanitisation of high touch areas will continue throughout the day using hospital grade disinfectants. Hand sanitising points are available throughout the property for staff and guests.
- Room servicing: Guests will be asked on check in if they wish to have their room serviced. If you do not wish to be disturbed we will be pleased to deliver fresh milk etc to your room. Simply let us know or dial 0 for Reception.
- Prior to arrival for a stay or a meal with us, we will forward guests information about arrangements for your visit including any Covid Safety measures.
- Sample menus and wine list are available on our website. As usual we will be pleased to adjust the menus for most dietary requirements, with advance notice, and we will do our best to accommodate. We are not however able to adjust for complex dietary needs including dairy intolerance. Please call to discuss if necessary.
- Contactless means for payment will be used where possible e.g. Applepay or payment can be 'keyed in' with before & after sanitising of the terminal.

Our goal is to offer guests the warmest of welcomes, in a safe and responsible manner. We very much look forward to welcoming you to The Cottage.

With our very best wishes,  
Kath, Liam, Monika, Ben & Team
