# See in the New Year at The Cottage In The Wood

It's time to dust off your sparkles and get ready to welcome 2026 with us. Make yourself at home on our mountain for 2 nights. Enjoy our Michelin-starred tasting menu with a decadent twist. Sip on Champagne as the night draws in around the forest, and brings 2025 to a close.

You may have seen Jack on your screens earlier in the year. Over the course of the evening, Jack and the team will be cooking luxurious, seasonal dishes with British ingredients including lobster, and salt aged duck, laced with truffles and caviar.

On arrival, you will be greeted by our friendly team and offered a hot drink and home made cake.

Help yourself to our vinyl collection before making your way to one of our cosy rooms to get ready for dinner. Each guest will be offered a welcome glass of champagne at the start of the meal, or a non-alcoholic alternative before enjoying our specially created, celebratory menu.

Throughout the course of the night, entertainment will be provided by Fiona Hanlon, who covers your favourite songs. As the night ramps up, she's known for providing a good 'knees up' and may even encourage you to join in.

In the morning there will be Bloody Marys and Bucks Fizz to accompany our 2-course breakfast menu. Then, you'll be handed hot drinks and treats for a New Years Day walk or to take back to bed.
